This allergy data was prepared in May 2018. These suggested options are based solely on current ingredient information from our suppliers and their voluntary stated absences of allergens. From time to time we may have to substitute items due to an inventory shortage. Variations in serving sizes, preparation techniques, sources of supply, as well as regional and seasonal differences may affect the status of the data. This table excludes limited time offers, test products and regional items. We recommend alerting the manager to your food allergies so we can do our best to accommodate any requests. Due to the individualized nature of food allergies and food sensitivities, Islands cannot make recommendations to you. Please consult your physician.
